East Cobb Child Care & Preschool Guide

*The following pages provide a comprehensive listing of all child care centers, Mother's Morning Out (MMO) programs, and preschools available to children under the age of 5 in East Cobb County. This information offers a quick review of the child care and educational programs located right here in our East Cobb community. We have not attempted to "rank" or "rate" any centers. Readers are encouraged to thoroughly evaluate any potential caregiver. The Child Care Licensing Section of the Georgia Department of Human Resources regulates the industry and can be very helpful. In the Pre-K column, an * after the check mark indicates that the preschool offers the Georgia Pre-K program.*

Preschool Picassos

At Walker, our Preschoolers learn about Picasso and Dali. They learn about Monet and Seurat. They learn about styles and techniques, and apply them as they draw, paint, cut, tear, mold and create–beautiful works that appear in our annual Preschool Art Show. It's the wonder of creativity. It's the wonder of Walker.

The Gift of Time – One More Year Until Kindergarten

Kindergarten has changed since its inception more than 60 years ago. Originally, kindergarten was simply a program for young children to learn socialization skills. Today's kindergarteners, however, are expected to be advanced both socially and academically.

Therefore, it is important to make certain that your child is ready for his kindergarten experience. Readiness for kindergarten isn't only predicated on a child's aptitude; there are many factors to consider. Here are a few:

- Interest in Learning
- Strong Oral Skills
- Listening Skills
- Independence
- Social Skills
- Strong Fine Motor Skills
- Basic Academic Skills

I encourage you to visit a few kindergarten classes, both at public and private schools, and envision your child in those situations. Ask yourself these questions as you are visiting in the classrooms:

-Does my child look forward to learning new things and can he sit for 15 minutes to listen to stories?

-Can he articulate his thoughts and engage in classroom discussion without getting frustrated?

-Is she capable of putting away and retrieving her belongings, going to the restroom, and managing social relationships?

-Is she able to hold a pencil properly and write without discomfort?

-Does he know the primary colors, recognize the alphabet, and basic family information such as parent names, phone number, and home address?

While these questions will help guide you in this process, remember to involve your child's preschool teacher by asking for their insight and opinion about whether your child is ready for kindergarten. Most importantly, you know your child best. It is ultimately your choice whether your child should advance to kindergarten or receive the gift of an extra year.

You should know that there are excellent school options available in our area if you find your child needing the gift of time. Mt. Bethel Christian Academy offers a full-day kindergarten-prep program. Rhea Adkins, Director of Admissions, is available to answer any questions you may have regarding kindergarten-prep versus kindergarten. You may reach Rhea at 770-971-0245 or by visiting us on the web at mtbethelchristian.org.
