**RUN WITH YOUR DOG AT THE ATLANTA LAB RESCUE ROAD RACE**

Since 2009, Atlanta Lab Rescue (ALR) has been rescuing Labrador Retrievers and Lab Mixes from overwhelmed shelters and abusive situations and placing them in secure, loving homes. Atlanta Lab Rescue averages 35-40 dogs in the program at any given time, and in their first ten years, they have rescued over 3,400 dogs.

To help underwrite their rescue efforts, ALR is holding its 4th Annual Atlanta LabRescue 5K on Sunday, November 18 at Jim Miller Park which is located at 2245 Callaway Road, Marietta. It is the largest fundraiser for Atlanta Lab Rescue. The Atlanta Lab Rescue 5K is open to the community, including: children, strollers and dogs! Yes, runners are encouraged to race with their dogs. Participating dogs should have current shots and rabies vaccination, wear an ID Tag, accustomed to regular exercise, be well-adjusted to crowds and noisy environments with large numbers of people and other dogs. Children under 7 must be accompanied by a parent or guardian during the race and dogs must be on a leash at all times per Cobb County laws.

The link to sign up is [runsignup.com/Race/GA/Marietta/AtlantaLabRescue](http://runsignup.com/Race/GA/Marietta/AtlantaLabRescue). The race entry will be \$35 and race day registration will be \$40 for the 5K. Runsignup.com registration will close on November 14th at midnight.

If you are not interested in running but would like to volunteer, email Heather Coyle at [mackhea@gmail.com](mailto:mackhea@gmail.com). Additional information about the race is available at [www.atlantabrescue.com/events](http://www.atlantabrescue.com/events). Can't participate or volunteer, but still want to help? ## What do I do if my dog or cat bites someone?

You will be required to make a decision about the future of your pet. Confinement is a must under the Cobb County Animal Control Ordinance. This quarantine/confinement is necessary for 10 days. You can choose to quarantine the animal at your vet or the Cobb County Animal Control Shelter. If you do not choose to keep the animal because of the bite, you can request that the animal be put to sleep and tested for rabies. Neither of these options are pleasant, but because of the potential for rabies exposure and/or liability on your part you must make the decision that is best for your situation. Animal Control does not normally adopt out animals that have bitten or scratched, but every situation is considered individually.

## ARE YOU READY TO MEET YOUR NEW BEST FRIEND?

Who is your best friend? According to Rover.com, 64% of Americans will put their pet at the top of the list and for good reasons--trust, assurance, fun and unconditional love to name just a few. But are we giving our best friends back as much as they give us? Best Friends Animal Society in Atlanta warmly invites East Cobbers to learn more about their work in our community as they strive to reach their goal: no dog or cat ever killed in a shelter again by 2025. The avenues for us to get involved in the movement are many.

The mission of Best Friends Animal Society is to bring about a time when there are No More Homeless Pets. They do this through building community programs and partnerships across the nation. A national organization, Best Friends established a regional program in Atlanta in 2016 and works collaboratively with area shelters, animal welfare organizations and individuals to save the lives of pets in area shelters.

Best Friends Pet Adoption Center is open seven days a week and at any given time hosts over 40 dogs and 25 cats to who are available for adoption. The center serves as a life-saving hub for animals and base for local programming and coalition-building. Volunteer opportunities, either as an individual or as a part of a service project team are plentiful and the rewards will have you wagging your tail in no time. Join the gang at the Strut you Mutt at Atlantic Station September 8th or explore rewarding projects at the center. But be warned: there is a very good chance you will fall desperately in love with your new best friend. Together, we will Save Them All!
