PEACHTREE HEARING BRINGS CUTTING-EDGE EAR TECHNOLOGY TO EAST COBB

Josh Wikoff with his wife,
Dr. Melissa Wikoff

Are you concerned about hearing loss for yourself or a loved one? Ear and hearing problems can happen at any age and can impact your balance, career and quality of life. Melissa Wikoff, Au.D., recently opened Peachtree Hearing in East Cobb and recommends that everyone get their

hearing checked once a year. Dr. Wikoff has been treating patients for years in California and Georgia, but when there was a chance to open a private practice in East Cobb, she and her husband welcomed the opportunity. A Walton graduate, Josh Wikoff grew up in East Cobb and knew that it would be the perfect place to open a practice with his wife.

Peachtree Hearing is a premier hearing boutique, and the staff prides itself on providing customized treatments to address each patient's specific needs. To ensure this, Peachtree Hearing uses the latest technology and scientifically proven techniques. Dr. Wikoff provides an alternative to the large practice and "big box" store experience. They offer a wide selection of hearing aids that are barely visible and can connect wirelessly to smart phone technology.

Located in Parkaire Medical Center, 4939 Lower Roswell Rd., Peachtree Hearing also specializes in the diagnosis and treatment of dizziness. Dizziness is typically due to disorders of the inner ear. Left untreated, dizziness can be a debilitating illness, but with the correct diagnosis, inner ear disorders can be managed and treated. Additionally, the staff can diagnose and treat Tinnitus (ringing of the ear) that can negatively impact quality of life.

Untreated hearing loss can be stressful and exhausting. The earlier hearing loss is treated, the less it can affect the rest of your life. To schedule your consultation, call 470-485-4327, email mwikoff@peachtreehearing.com or visit peachtreehearing.com.

EAST COBBER Parade & Festival

EAST COBBER extends its mission of building a sense of community by establishing a hometown tradition of a community parade and festival. As the producers of the first parade and festival in East Cobb County, the EAST COBBER aims to establish a strong network between schools, businesses, government and clubs to create a showcase event and annual tradition for East Cobb County. The EAST COBBER Parade has become the largest parade in all of Cobb County and is the only community-wide event for East Cobb.

The EAST COBBER Parade and Festival aims to build a sense of community and reinforce East Cobb's status as one of the best places to live in the Atlanta area by giving thanks and special tribute to those who contribute to the quality of life in East Cobb: such as, principals, schools, clubs, elected officials, and civic leaders.

Overall, the objectives of this special event are as follows:

- **SPOTLIGHT** the people who contribute to the quality of life in East Cobb County.
- **NETWORKING** opportunities for various groups of the community to interact.
- **BOOST** the image of East Cobb to external audiences as well as to help East Cobb residents feel good about living in East Cobb.
- **CELEBRATE** the arts by providing a showcase for local fine arts performers and groups at the Festival.
- **PROMOTE** economic development by providing local businesses with an event that demonstrates their community support and allows company personnel to interact with prospects and customers.

Because the EAST COBBER Parade & Festival is privately funded, contributions from local businesses are vital to keeping this tradition alive in East Cobb County. For sponsorship information or to request a festival booth application, contact 770-640-7070.
